

# QUEEN ELIZABETH II

R=RED G=GREY  
W=WHITE PS=PINK SKIN  
SB=SKY BLUE LBr= LIGHT BROWN  
LB=LIGHT BLUE Db=DARK BROWN  
B=BLUE Br=BROWN  
DB=DARK BLUE

The image shows a 15x15 grid puzzle. The grid contains numerous symbols, including letters (R, W, G, B, DB, PS, LBr, LB, SB) and numbers (1-15). The symbols are color-coded: R (red), W (white), G (grey), B (blue), DB (dark blue), PS (pink skin), LBr (light brown), LB (light blue), SB (sky blue). Some symbols are also numbered (e.g., R 1, W 2, G 3). The grid is filled with these symbols in a seemingly random pattern across all 225 cells.
